
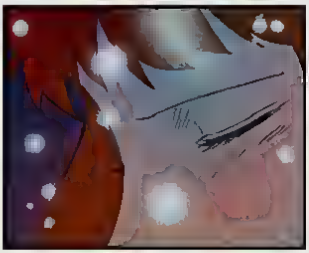
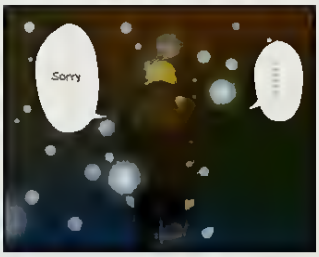
Do you mean that?
Suwan, I..



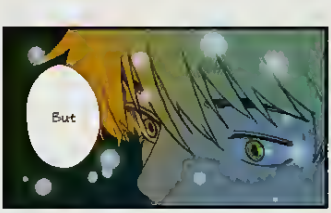
Ahaha! Your face!
Even if you hate it that much, I already know!

I'm just a sister to you...right?



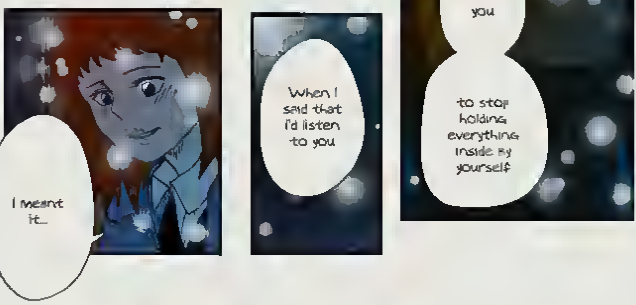
Sorry
.....

I'm not bothered at all... Don't worry!
Don't apologize! It's not like I asked you to do anything!
I just... wanted to convey my feelings

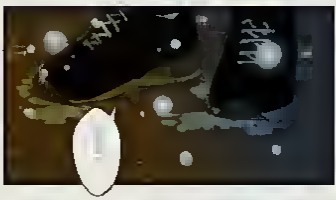


But

I want Onii-san to become more honest with his feelings, too.
If I started being greedy.

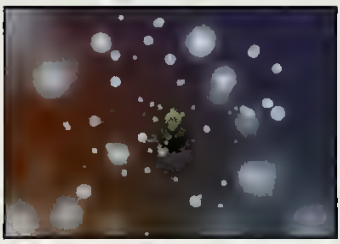


I meant it...
When I said that I'd listen to you
I want you
to stop holding everything inside by yourself



...

I...I'll see you later! Goodnight!
Thanks to you I was able to make a wish...Heha
Ah...Uhm... Thanks for telling me about the first snow thing!



It was always like this.

People judged me by my outward appearance.

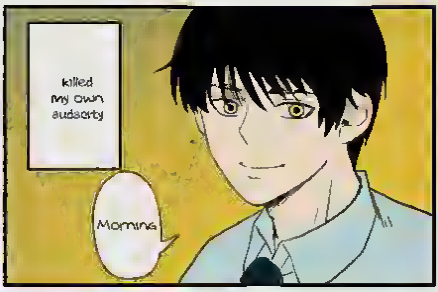
The baseball club's ace? He's on the national level right?

He also has a nice face!

His father works at a company right? He must have money!
I evaluate others
I know it's sad, but... I want to be his friend~

and I respond based on their expectations
It's Kanata!
Inoo-kun~!

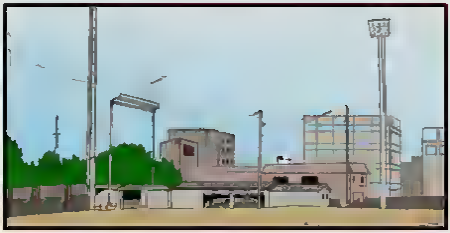
I



killed my own audacity
Morning

ドキドキ ズキズキ

キョニ

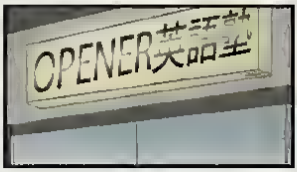


Huh? You're going home?
Yeah, I've got something to do
バタン!

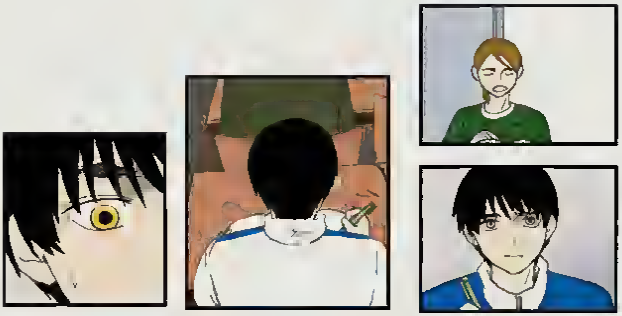
I'm not going to club anyways
You're going to study even though you're already exhausted?
スゲー
I need to get it back up
Before my performance was going down

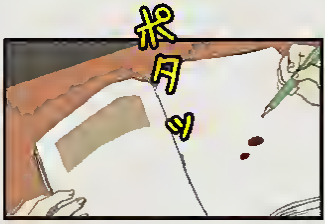
Huh? But you're coming. Just now...
……?

Bye~!

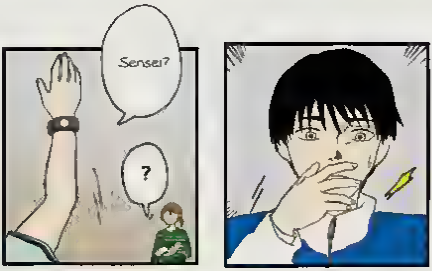


OPENER





ポタッ



Sensei?

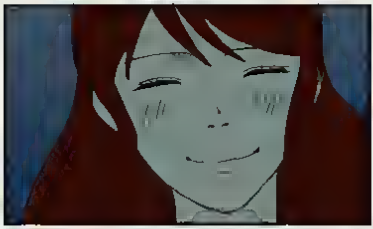
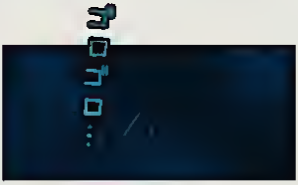
OPENER英語塾

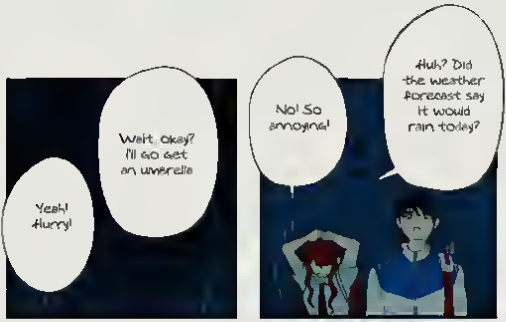
Lets go home
Sorry did you wait?

Kanata-kun, recently you've been over-doing it!
Have you been sleeping well? You just got back...!
I just happened to have a nosebleed...
You didn't just happen to! You get them often!
.....
Promise me!
I said it's fine
Ok?
that you won't make me uneasy anymore
...sure.
You definitely can't get injured anymore!
Definitely!

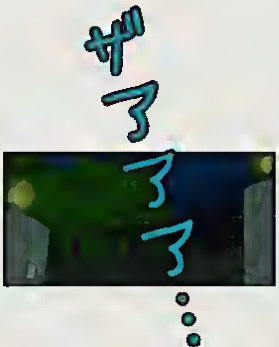




ポロポロ…



Huh? Did the weather forecast say it would rain today?
No! So annoying!
Wait, okay? I'll go get an umbrella
Yeah! Hurry!

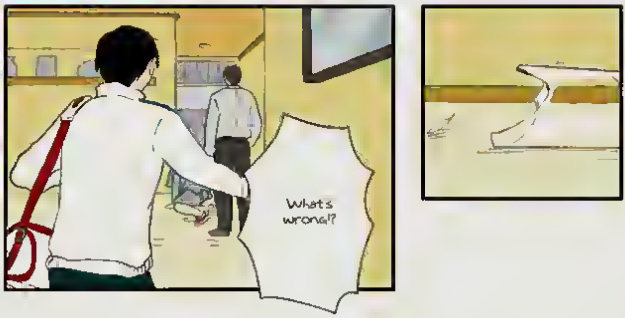


ザーザー

I should lend her the umbrella from that time...
That's right
I lent it to that kid

I mean, how is she supposed to return it to me?
She doesn't know where I live...

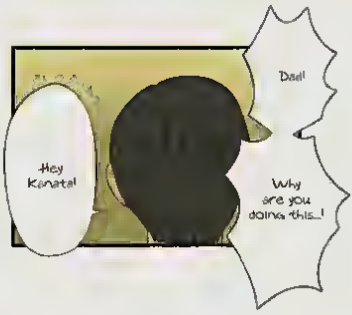
ピリリリリン！



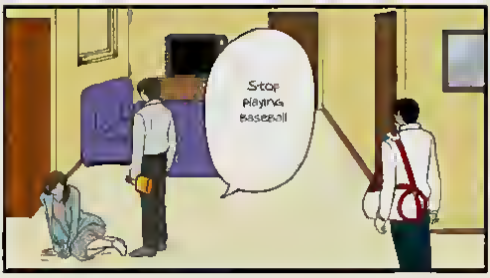
What's wrong!?

!!

Kanata.!
Dad!
Be quiet. you useless..



Dad!
Hey Kanata!
Why are you doing this...!



Stop playing baseball

I've put this home
up for auction

It's already over

Everything
It's over...

It was like a scene from a drama

My father whose debt snowballed

ran to alcohol and violence

My mom only cried without resisting

The rumor that covers my family

I'll erase everything

He's late!
It's already been 20 minutes!
!

Kanata-kun?

What about the umbrella?
Huh? Hey..

Maki... I..

Ah..

Huhh? You made a person wait for you!
I suddenly forgot...
Sorry.
This is a little wet but you've suffered
It's better than nothing.
It's completely soaked! Sheesh...
If it wasn't Kanata-kun I'd be really mad right now!

Thanks Hurry up and go home! You'll get another nose bleed
I'll wash this and return it to you!

Yeah
Be careful going home

There's no way she'll understand
What would happen if I told her

And like that,
I closed the
door

Between
my parents
my friends
and lover

I had no
one to
see through
me

I've been wanting to watch the tunnel's entrance...
